SPORTS MINISTRY

SPORTS DEPARTMENT

The sports department is committed to promoting physical health and well-being among our missionary members and students as they communicate the gospel by training, sending, supporting

and living as missionaries, both in the nations and at home. We are also engaged in the local Flathead Valley sports community - participating in local sports leagues and serving various athletic organizations.

SUMMER OF SPORTS

The Summer of Sports (SOS) seeks to use athletics as a door into the lives of people who may have never heard the good news of Jesus. In the SOS you will be equipped to evangelize and disciple the nations while using the athletic talent and passion that God has given you for sports.

OUTDOOR MINISTRY PROGRAM

The "OMP" helps participants experience what it takes to work in the outdoor industry as an industry professional. OMP participants work with the Endurance DTS, facilitating backpacking and rock climbing trips in the summer. The

goal of this program is to graduate participants with rock climbing, backpacking, and mountaineering skills that can lead to pioneering and serving outdoor ministries on a global scale.
