## DISCIPLESHIP TRAINING

We receive quite a few inquiries related to what EDTS graduates go on to after EDTS. In YWAM and EDTS, we strive to graduate disciples of Christ who are agents of change and who will live out kingdom culture in all the spheres of society. EDTS specifically trains students to continue on in missions, thrive on the field and engage in the outdoor industry with more education/training, vocation/employment and outdoor ministry. While we haven't kept track of all 112 students and what they're doing now, here is a snapshot of what a handful of them have gone on to after their season with YWAM Montana – Lakeside and Endurance DTS.
